Dear George:

Approval is requested for the following purchase order to be issued on a time and material basis for System Two of Contract A-101:

This purchase order is to be placed on a time and material basis with the best qualified source as a result of competitive bidding.

<u>Vendor</u>	<u>Requisition No.</u>	<u>Purchase Order No.</u>	<u>Amount</u>
Perfecto Products Company	As required	25-17684	Not to exceed \$6,000.00 at straight time rate of \$5.50 per hour. Plus material at cost.

This purchase order is issued to cover requisitions received specifying an average delivery time of five days which does not allow sufficient time to obtain competitively fixed-price bids.

Sincerely,

Bob
